

LCJE Asia Regional Conference 2022

Jewish Evangelism in East Asia

The Corona Pandemic and Its Challenges and Opportunities

Date: February 23 (Wed), 2022

Virtual Conference on Zoom

In 2017, we had the first conference and built connections. After that, corona pandemic hit the world and Jewish tourists stopped coming to Asia. Nevertheless, our duty to bring the Good News to the Jews is NOT cancelled. Meanwhile, the pandemic drove everything into online, and this trend opened new doors. Therefore, we decided to have the second Asia conference virtually to follow up the first conference so that we can adapt ourselves to the new situation. We invite not only those who joined the first conference, but also all Christians who are interested in Jewish Evangelism.

What is LCJE?

LCJE is the only global organization in existence today in which people involved in the field of Jewish evangelism can come together and — Share information and resources, Study and report on current trends, Stimulate one another's thinking on theological and missiological issues, Strategize on a global level so that more Jewish people will hear and consider the Good News of Jesus the Messiah, and Arrange consultations that will be useful to those engaged in Jewish evangelism.

In 1980, The Lausanne Committee for World Evangelization (LCWE) sponsored a conference (COWE) in Pattaya, Thailand. "Reaching Jews" was one of the 17 mini-consultation groups at that event. They decided to form a task force, now called the Lausanne Consultation on Jewish Evangelism (LCJE). LCJE currently has area coordinators in Japan, Korea, Hong Kong and other places.

Therefore, if you recognize Christian's duty to bring the Gospel back to the Jewish people but have not joined LCJE, you are welcome to join this LCJE Asia Regional Conference, especially part 2!
